## Appendix

to the Application Form of the postgraduate Master's Programme in Oral Health Sciences

### Documents to be submitted with your application:

The following items are to be enclosed in your application package (please check and include this page):

1. copy of passport
2. personal motivation for application and future plans
3. curriculum vitae
4. proof of experience in general dentistry after graduation (minimum of 1 year)
5. legally certified copy of the dental diploma obtained in one of the countries within the European Union
6. English language test report: TOEFL, IELTS or Cambridge English (necessary both for dentists with a Dutch dental diploma and an international dental degree)
7. copy of hepatitis-B vaccination, together with titer determination, officially translated into English or Dutch
8. certified copy of B.I.G. registration document of the Netherlands. Please note that your B.I.G. registration needs to be effective by 1 September 2020 at the latest unless you have permission from the respective profile director to start the programme without.
9. copy of Reanimation course (not older than 2 years)
10. copy of Radiology certificate

### Submission of your application:

This two-sided application form plus all required documentation should be at our office on December 5, 2019 at the latest, and sent by post to:

Ms. Katie Crouwel MA  
Coordinator Postgraduate Master's programme in Oral Health Sciences  
ACTA - Academic Centre for Dentistry Amsterdam  
Gustav Mahlerlaan 3004, Room 3N-09  
1081 LA Amsterdam  
The Netherlands
