

## Schematic Overview Curriculum OHS - 2019-2020

Year 1	Semester 1+2 (September-July)	ECTS
<b>Joint courses</b>	Joint Case Presentations	2
	Joint Research Presentations	2
	Epidemiology & Evidence-Based Practice in Dentistry and Oral Health Care	3
	Methods and Statistics	3
	Biological and Clinical Aspects of Oral Health Sciences	3
<b>Research track</b>	Research Track Phases 1+2	6
<b>Profile specific courses</b>	Depending on profile	11
<b>Profile specific clinical course</b>	Clinic Year 1	30
<b>Total ECTS year 1</b>		<b>60</b>
Year 2	Semester 1+2 (September-July)	ECTS
<b>Joint courses</b>	Joint Case Presentations	2
	Joint Research Presentations	2
	Pharmacology	3
	Maxillofacial Radiology (CBCT)	3
<b>Research track</b>	Research Track Phases 3+4	10
<b>Profile specific courses</b>	Depending on profile	10
<b>Profile specific clinical course</b>	Clinic Year 2	30
<b>Total ECTS year 2</b>		<b>60</b>
Year 3	Semester 1+2 (September-July)	ECTS
<b>Joint courses</b>	Joint Case Presentations	2
	Joint Research Presentations	2
	Pharmacology	2
	Maxillofacial Radiology (CBCT)	2
<b>Research track</b>	Research Track Phases 5+6	12
<b>Profile specific courses</b>	Depending on profile	10
<b>Profile specific clinical course</b>	Clinic Year 3	30
<b>Total ECTS year 3</b>		<b>60</b>

Profile specific courses	Year 1, 2 or 3 (depending on scheduling)	ECTS	Year 1, 2 or 3 (depending on scheduling)	ECTS	Year 1, 2 or 3 (depending on scheduling)	ECTS
<b>Endodontology</b>	Introduction in Endodontology Theory; Diagnosis & Pain.	7 4	Complications in Endodontology; Periapical Microsurgery 1.	7 3	Periapical Microsurgery 2; Additional & Special Treatments.	4 6
<b>Oral Implantology</b>	There are no first year students Oral Implantology starting in September 2019.		There are no second year students Oral Implantology per September 2019.		Oral Rehabilitation 2: The Complex / Compromised Patient; Bone Augmentation in Implant Dentistry.	6 4
<b>Orofacial Pain and Dysfunction</b>	Introduction in Oral Kinesiology – Theory; Oral Physiology; Temporomandibular Disorders.	3 4 4	Externship Sleep Laboratory & ENT; Dental Sleep Medicine; Tooth Wear & Restorative Dentistry.	2 4 4	Externship Neurology & Anaesthesiology; Oral Movement Disorders; Orofacial Pain.	2 4 4
<b>Periodontology</b>	Periodontology Diagnosis and Treatment Planning; Nonsurgical Periodontal Therapy and Maintenance.	6 5	Periodontal Physiology and Pathobiology; Periodontal Surgery.	6 4	Periodontal Medicine; Periodontology Related Subjects.	4 6
